LUGGAGE POLICY

WHAT'S THE COASTAL LUGGAGE ALLOWANCE?

Passengers are permitted a maximum luggage allowance of 15kgs (33lbs) per person including carry-on luggage. Soft bags are strongly recommended but are not obligatory. The carriage of excess luggage is at the sole discretion of the Company after taking into consideration the aircraft being used and the admissible maximum load.

We do not have sophisticated RFID baggage tags like large airlines; however, we can assist you in carrying your luggage but please keep track of the loading and unloading of them at the various airstrips.

Excess luggage carried will be charged at the prevailing freight rate. Final decision on load allowable or any flight condition is solely at the pilot's discretion.

DOES YOUR LUGGAGE FIT?

The cargo pod door measurements are: 76cm x 48cm x 29cm (30" x 19" x 11"). If your bag is larger than that, we won't be able to get it through the door of the cargo pod. Maximum weight: 15kg (33lbs).
