Uganda E-visa Application

While most of the application will be straight forward, there are some parts where you will need information from me. To simplify the process I have created this step-by-step guide to assist with completing the application.

Before you begin, please make sure to have the following ready, prepped and available for upload.

- Passport Photo (I have used my phone to take this just following image requirements)
- Photo of the ID page of your passport
- Flight/ticket (PDF)

Below are the steps to be followed when filling in a single entry Visa and the required documents Applications should be filled at the following link: https://visas.immigration.go.ug/.

Step 1: Choose the type of visa: "Ordinary" (single entry) and East Africa Tourist Visa are the most common.

Step 2: Fill out the requested personal and travel information.

Great Lakes office address is required in the form: Great Lakes Safaris, Plot number 1001 , block 213 Mutungo Hill Road, Kampala, Uganda
Tel:+256 -39 3267153 or +256-770-486-002

Step 3: Upload clear copies of current passport, yellow fever certificate and a passport photo. For an East Africa Tourist visa, a travel itinerary and proof of return ticket must also be submitted.

Step 4: Once the online application form is completed and submitted, the applicant will receive a bar-coded email notification of approval. This can take 3 or more days. Once received, this bar-coded email should be printed and brought to Uganda for presentation upon arrival.

Upon arrival at the Airport (entry point), the bar-coded email along with passport and original yellow fever certificate must be presented. The Immigration officer will scan the barcode, take fingerprints and a photograph and collect the $150 visa fee ($USD cash only, in excellent condition and dated 2006 or later). The visa will be printed and pasted into the passport.
